Ordering DNA

We make building your genetic profile easy

For fast turnaround, send your DNA tests to PBB and we will take care of the rest.

1
Select animals to test

2
Order your wet TSU or Birthset

3
Tag and sample selected animals

4
Fill out order form and email to dna@pbbnz.com

5
Courier samples to PBB

6
Your herd records and EBVs are updated
