Invoices are sent out at the end of each month. As per Speckle Park International Limited's payment terms, **all invoices must be paid within 30 days.**

Overdue accounts may be subject to late fees or a cessation of all work until payment has been made. Overseas members are encouraged to pay via credit card to navigate international transaction fees. All international members are required to accept the international transactions fees – SPI is not responsible for these fees. In the event SPI are charged international transaction fees, the member will be billed accordingly.
